NAINWA WELFARE TRUST  
Syeda Fatima-Tu-Zahra Hospital

## Progress Report 2016 - 2017

### Introduction

District Bhakkar is situated in the west of the Punjab and the inhabitants of the District are facing lack of educational and health facilities, although the land of the area is fertile but due the lack of capacity and resources people cannot avail better livelihoods. Moreover, the District consists of scattered population that's why it is difficult for Government to provide facilities. The inhabitants of the area are caring and help each other.

Some landlords are also active to do welfare work among those Sadiq Ali S/O Shareef Hussain Chitrani is also an icon. Sadiq Ali S/O Shareef Hussain Chitrani and his friends always put their efforts to give relief to the inhabitants of the area to get possible facilities for health and education. After a long time of social work as in individual capacity they decide to work in group and to register a trust with name of **Nainwa Welfare Trust**.

**NAINWA WELFARE** is a non-profit, non-governmental Trust. Due to government ban some problems were facing to adopt the registration. But the Nainwa welfare Trust works with rural and urban communities to provide humanitarian relief, improve health, education, economic conditions, capacity building and social development in remote and disaster-prone areas.

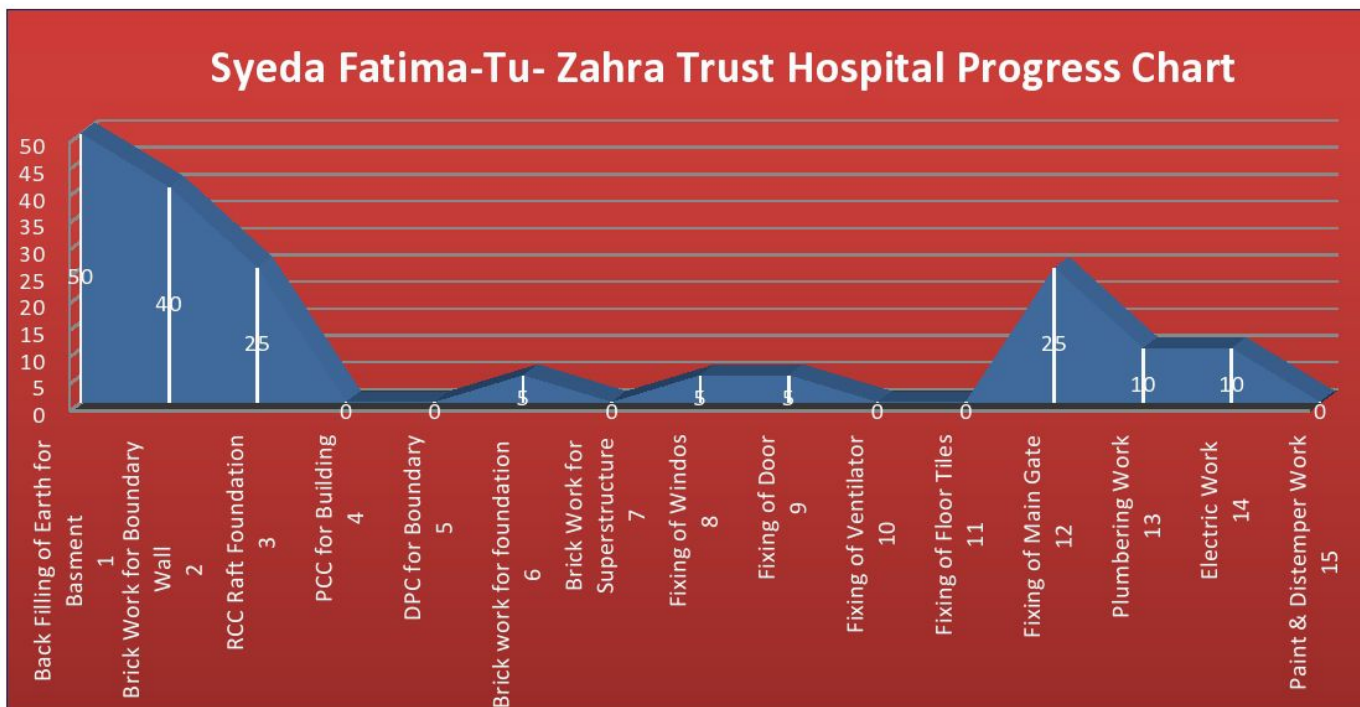

All credit for building the trust hospital goes to **Mr. Al Haaj Shareef Hussain Chitrani** because without his devotion and hard working may not be possible. He is a noble man of great characteristics. He has to desire and dream to build a hospital to provide free and rapid health facility to poor and deserving people of their hometown. He has donated 24 kanal for the construction of trust hospital. This is first the step toward achievement of his dream.

In this regards Governas approaches the international donor for rising a funding. Donor was agreed with the BOGs suggestion than donor donated the huge amount for construct the trust hospital.

After finalized the name of hospital “Syeda Fatima-Tu- Zahra hospital” prepared a detail map and hire the contractor.
